COLORING BOOK

————— **BASED ON A TRUE STORY** —————

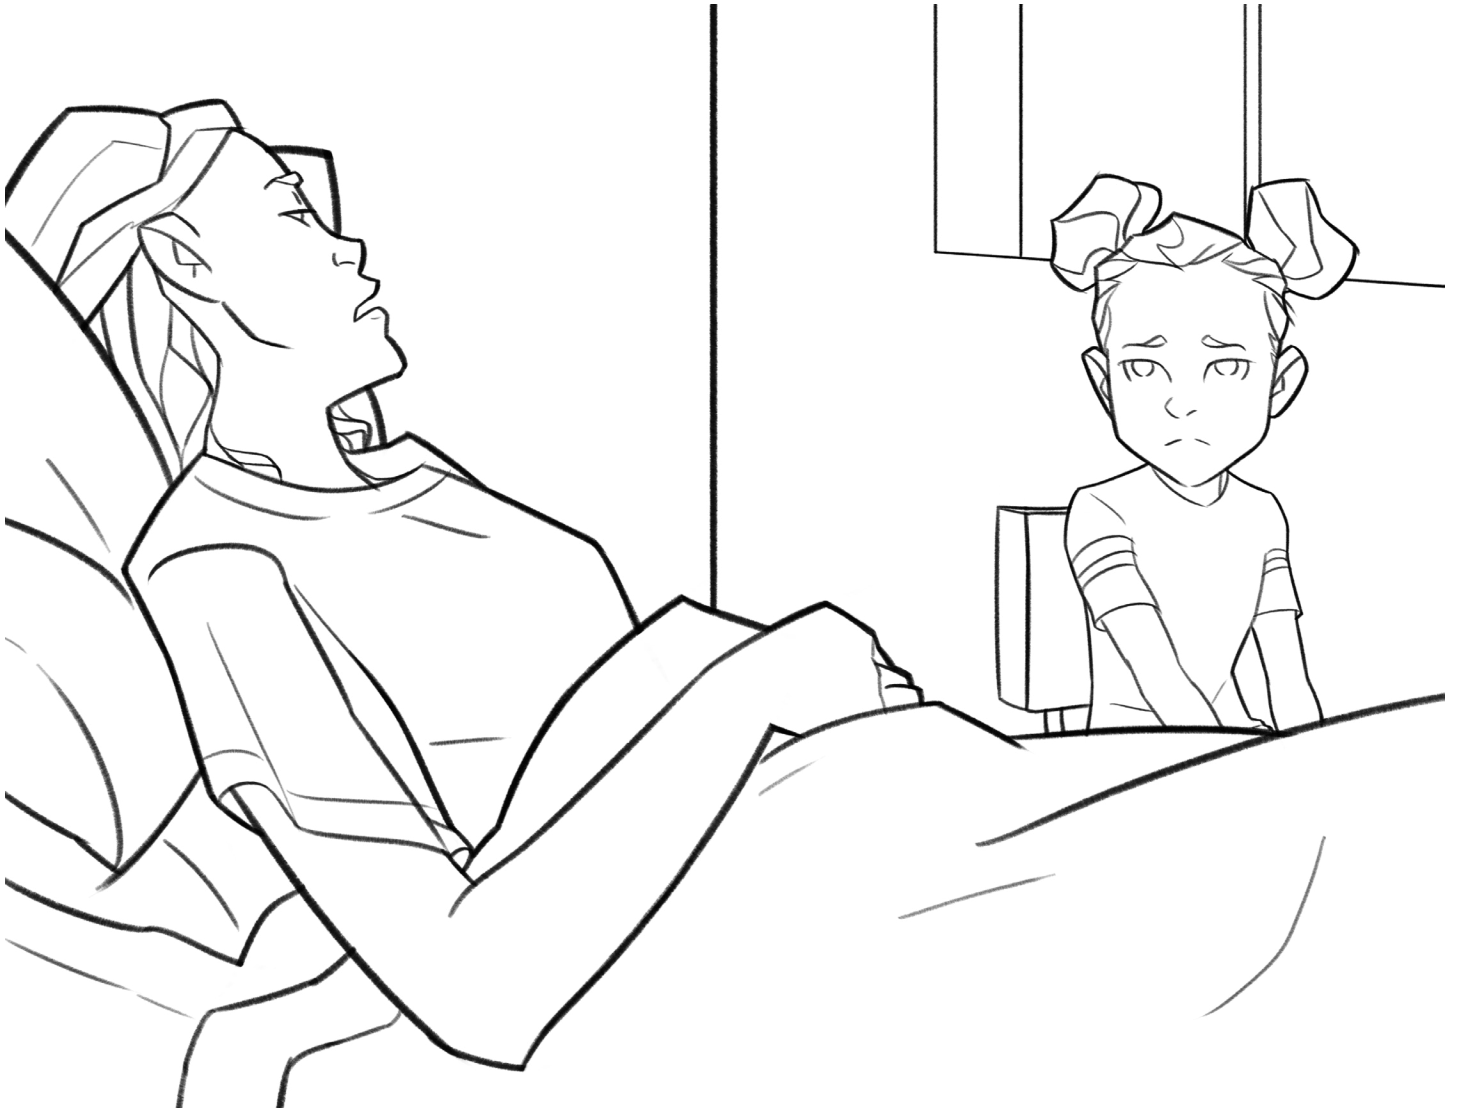

This is Marjorie. She lives in Honduras.

Marjorie is deaf, which means she can't hear. So when she was five, she started attending a Christian school for people who are deaf.

She was a happy and lively little girl who enjoyed school. But in 4th grade, Marjorie's teachers noticed something different. Marjorie was often sad and angry, and wanted to be left alone.

Her teachers discovered that Marjorie's mother was very sick and Marjorie was scared. No wonder she was so upset!

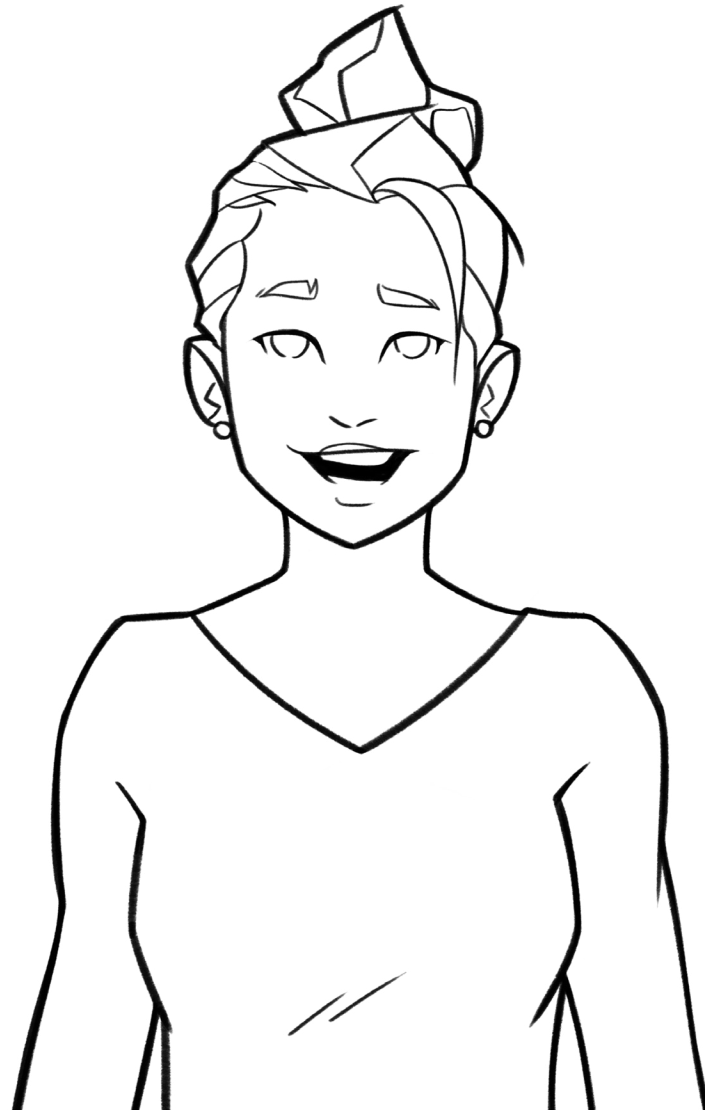

But God had a plan for Marjorie.

One day God sent a group of women from the United States to visit the children at Marjorie's school and talk to them about God. These women prayed for Marjorie. As they prayed, Marjorie suddenly felt that God was with her. She wasn't afraid anymore.

Once again she was the happy and lively Marjorie that everyone knew.

When Marjorie grew up, she became a teacher at that very same school where she had been a student. Now she is helping other children learn, grow up, and know that God loves them.

Do you ever feel afraid?

Just like with Marjorie, God can give you peace when you're afraid.

Psalm 56:3 says, "When I am afraid, I put my trust in you."

When you feel afraid, put your trust in God and pray for His help.
